Masonry Heater and Oven Hardware Price List

November, 2014

Prices are in Canadian Dollars. Shipping, packaging and handling are not included. Ontario clients are charged 13% HST. Out of province Canadian clients are charged sales tax according to their province rules. Out of country clients do not pay Canadian tax.

Please note that we normally stock items in the price list as the most commonly used and popular. We, however, can have other parts and can always order any part, produced by Pisla in our next shipment from Finland – just inquire about your parts!
